IDAHO SITE TOUR:

DOE will conduct a standalone site tour for the Three Mile Island-2 (TMI-2) Facility at the Idaho site for the NRC Licensed Facilities procurement. DOE has scheduled this tour to be held April 16, 2015. There will be no pre-solicitation conference associated with this site tour.

REGISTRATION:

To facilitate the government's planning; please provide the name, organizational affiliation, telephone number, e-mail address and citizenship of each proposed attendee to the following email address: leann.brock@emcbc.doe.gov and erin.kroger@emcbc.doe.gov no later than 1:00 P.M. EST, April 10, 2015. There is a limit of three representatives per company authorized to participate.

Please specify which of the events you will be attending (conference and tour at FSV in Colorado, tour at TMI-2 in Idaho, or both).

Attendance at the pre-proposal conference and site tour(s) is not mandatory. The Government will not reimburse any contractor for expenses related to attendance at these activities.

SITE TOUR REQUIREMENTS AND LOGISTICS:

Only U.S. Citizens are permitted. A valid form of picture ID must be provided to security personnel in order to obtain entrance to the facility.

The tour will consist of outdoor travel on foot. Please ensure you wear long pants, sturdy leather closed toe shoes, and dress appropriately for the weather conditions. If special accommodations are required, please notify LeAnn Brock when registering for the tour.

The site tour will begin at 9:00am on April 16th. Attendees should arrive at the main entrance at 8:45am. This tour will last approximately 2.5 hours (2 hours of transportation time and 30 minutes of viewing of the TMI-2 facility).

LOCATION:

Attendees should meet at the main entrance of the Willow Creek Building, located at 1955 Fremont Ave., Idaho Falls, ID 83415.

Directions: Airport to Willow Creek Building, 1955 Fremont Ave. (2.5 miles)

- Drive south on Skyline Drive to the stoplight at the intersection of Skyline Drive and Grandview Ave.
- Turn left, going east on Grandview.

- Cross the Snake River Bridge and turn right off the highway onto the Riverside Drive/City Center exit and proceed to the stop sign in front of you (do not proceed around the curve to the right).
- Turn left onto Fremont Ave. and proceed north, under the overpass.
- Proceed north through the intersection and turn into the first driveway on your left at 1955 Fremont Avenue. There is a sign on the corner, labeled "U.S. Department of Energy". Visitor parking is available in the first parking lot on the right.

SECURITY ISSUES:

Security requirements dictate that all participants remain with the tour group for the duration of the tour. There are also several prohibited items that are not allowed at the Idaho site. These items are real or simulated firearms and ammunition, stun guns, alcoholic beverages, illegal drugs and paraphernalia, explosives, hand-held weapons, chemical irritants, and items prohibited by state and federal law. Other items not allowed on the tour are copying devices, electronic recording devices, cameras, radios, and knives with blades more than three inches long. Contraband brought to the Idaho site will be confiscated.

The DOE will not be responsible for securing any items during the tour. Please keep hand-carried items to a minimum.

REAL ID ACT:

All participants are required to comply with the [REAL ID Act](#). To be compliant with the Act, individuals possessing a driver's license or identification card from one of the following states ; American Samoa, Arizona, Idaho, Louisiana, Maine, Minnesota, New Hampshire, New York, Oklahoma, and Washington, must bring an additional form of approved identification to gain entry into facilities.

As an example, one of the ways to gain access is to bring an Idaho driver's license and a social security card. Please note that names on both forms of identification must match exactly or proof of name change must be provided.

The acceptable forms of visitor identification are listed on the [Department of Homeland Security Form I-9](#). The list includes all forms of identification acceptable for access to facilities, if the credential is current.

Acceptable forms of alternative ID include:

1. U.S. Passport or U.S. Passport Card
2. Current DOE contractor badge (HSPD-12 credential or Common Access Card)
3. Permanent Resident Card or Alien Registration Receipt Card (Form I-551)
4. Foreign passport that contains a temporary I-551 stamp or temporary I-551 printed notation on a machine-readable immigrant visa
5. Employment authorization document that contains a photograph (Form I-766). Individuals previously badged at INL are grandfathered and may need to provide only a driver's license. This does apply to individuals who have previously been granted a Visitor Pass.

Note: All other states' driver's licenses are acceptable primary forms of identification and do not require a second form of identification.
